

## ORINDA PARK POOL QUESTIONNAIRE

We have been asked to evaluate the existing pool and to make recommendations for upgrading or replacing the pool to correct the ongoing leak and settlement problems and to improve the safety and code conformance of the existing pool. We would like your input to better understand how the pool is currently used, what is liked best and what is liked least about the existing pool as well as what should be considered in any upgrade or replacement of the pool. Please complete this questionnaire and mail, fax or email it to us by Friday, 13 February 2004. Thank you for your input.
